Estella Chu · 1st

Analysis & Modelling Risk Analyst

April 2, 2022, Estella managed Kunal directly

It was truly a blessing to have Kunal on my team and have his unyielding supports to accomplish challenging projects in the consulting world. Performing complex algorithm analysis, writing solid explanation and rationales, and being resourceful at problem solving, Kunal is person you can always count on. Also Kunal impressed me about his humble demeanor and long term view for career development and personal achievement. He lives with the principle that life is a marathon with constantly learning and self-improvement opportunities. I won't be surprised that ...

Marketing Executive | P&G alum | AMA Pgh - VP of Partnerships | Business Strategy | Data Driven Decision Making

January 4, 2013, Ed and Kunal studied together

Kunal is an outstanding team member! His quantitative abilities, insightful reasoning, and collaborative nature make him a valued team member. In the MBA program at the Katz Graduate School of Business, Kunal was a highly sought-after team member for projects, due to his keen mind and outstanding people skills. Kunal takes great pride in his work, as evidenced by the high quality of his output. Furthermore, Kunal's great personality makes him a pleasure to work with. I highly recommend Kunal, and can attest to his ability to quickly become an asset to any...
